Join with a group of people who enjoy themselves working to help the children and staff of Stewart House in both financial and practical ways.

**Looking for a rewarding and fulfilling experience?
Want to make a difference in a child's life?**

Friends of Stewart House (FOSH) is a group of people with like-minded concern for making a difference in a child's life. Formed over 75 years ago, FOSH's primary purpose is to support the work of Stewart House through fundraising and volunteer ventures.

Membership has now expanded from former Department of Education employees and their relatives to encompass all those who wish to support such an iconic organisation. Members are invited to attend planned social activities for further fundraising and to volunteer their services in a variety of ways.

You can join online for as little as \$15 per year. This forms part of the contribution made available to Stewart House annually. For more information and to join today go to www.stewarhouse.org.au and follow the links from the drop-down menu Get Involved.

On our website social events will be listed and we encourage all members and friends to join us throughout the year.

**BE PART OF A GREAT SOCIAL GROUP SUPPORTING
SUCH A WORTHY CAUSE**

STEWART HOUSE Changing children's lives since 1931.

Every year 1,700 public school children attend our safe haven next to Curl Curl beach at no cost to their parents or carers. During a 12 day stay they are provided with dental, optical, hearing and medical screening and treatment.

Children participate in educational programs and excursions designed to develop their social and emotional skills, build self-esteem and improve their overall well-being.

This experience provides children with a much needed break from their current circumstance. Our children are inspired to see beyond the present and to have real hope and positive aspirations for their future.
