

CHARITY

Recently we had the pleasure of meeting up with the **Stewart House** team and learning about their incredible story and connection with our village dating back to 1929. Whilst the vision was originally developed by two men, Dr. Harvey Sutton and Mr. Arthur McGuinness it's apparent our community still strongly believe in the need for a facility to care for children from all parts of NSW and the ACT that are in need.

Whilst school children across the state still raise money for Stewart House through various fundraising efforts throughout the year, we were proud to learn of the strong connection with our business community. **Harbord Beach Hotel** have been a continued supporter for over 30 years and the new owners have committed to continuing their support in the future. Similarly every year the **Harbord Diggers Mounties Group** host a Christmas Party for Stewart House Children in residence including entertainment, food and gifts from Santa. And for over 10 years **Dee Why RSL** they have provided financial assistance through their Community Support Program.

Other local operators include **Cassidy's Hair Salon** who are instrumental in helping set-up the very first hair dressing salon on site at Stewart House in 2020. They continue to generously donated their time and supplies.

Manly Sea Eagles invite Stewart House children to participate in a range of activities with the club and the **Captains Shop** are a local community gem that has helped fundraise for Stewart house for many years. The wonderful team at **Marilynas Famous Pizza Freshwater** have come up with their own unique way to support – by teaching the Stewart House children how to make their own pizzas!

Congratulations to all of these wonderful businesses and if you're an operator that would like to get involved or learn more contact the Stewart House Fundraising Executive Aimee Palfreeman at aimee@stewarhouse.org.au.
