

WORKPLACE GIVING FOR STEWART HOUSE

NSW Department of Education's Charity of Choice

It is evident to school-based staff that many children need extra support. By participating in workplace giving, you can provide vital assistance to children in need through Stewart House.

ABOUT US

Every year, up to 1,600 public-school children-in-need from right across NSW and the ACT visit our safe-haven located on Sydney's Northern Beaches, for up to 12-days.

During their stay, children receive screening, treatments and referrals for their eyes, ears, and teeth, all while developing self-care, conflict resolution and social skills.

Our program is offered to children free of charge, and we depend entirely on charitable donations to meet the program costs. With your support, we can continue to deliver health and wellbeing support to disadvantaged children.

CHARITY CREDENTIALS

Stewart House is a recognized children's charity with deductible gift recipient (DGR) status, focused on advancing health, social welfare, and community benefits. It is also registered with the NSW Government's Workplace Giving Scheme through the Department of Premier and Cabinet.

THE IMPACT OF YOUR DONATION

To keep our doors open for the 1,600 public school children who depend on our program each year, we need to raise over \$5 million. Here's how your support can change a child's life:

- \$23** Provides a child with healthy nutrition for one day (breakfast, morning tea, lunch, dinner, and supper)
- \$105** Covers one night of care and support in our safe, comfortable accommodation
- \$182** Funds all program benefits for one day, including meals, accommodation, health activities, and education
- \$2000** Fully funds an 11-night life-changing stay for one child, offering comprehensive care and support

Please note that these figures represent direct program costs and do not include fundraising, marketing or key person costs.
