

BOXING DAY ON THE HARBOUR

26 December 2026

CELEBRATING **95** Years
1931 - 2026

We invite you aboard an iconic Sydney Harbour ferry to witness one Australia's greatest sporting traditions, the start of the Sydney to Hobart Yacht Race. Watch the spectacular fleet as it sails through Sydney Heads, beginning its journey south to Hobart.

We are delighted to bring back this exclusive opportunity, for our supporters, which was last held in 2024.

Each year, 1600 children with challenging life circumstances come to Stewart House for additional support. One of the most loved excursions during their stay is a ferry ride from Manly to the city. For some, this might be the first time they see Sydney Harbour.

To help meet student travel costs, Transdev Sydney Ferries generously provides Stewart House with exclusive access to two Sydney ferries on Boxing Day to raise funds.

We are grateful for their support!
